27th September, 2018

Don't forget our Macmillan Coffee Afternoon
TOMORROW
Tea/coffee and cake will be available from
2.15 – 3.00 p.m..

We hope you will be able to join us.

HARVEST FESTIVAL We will be holding our Harvest Festival during school on Thursday, 4th October. We would like children to bring any dry products into school in e.g. rice, pasta, tinned items etc. and these will be gratefully received by the Food Larder in Immingham. We will have a box in the entrance from Monday. Elaine Norton from the Food Larder will be coming to talk to the children in Monday's assembly to explain how the food will be used.

DIGITAL PARENTING MAGAZINES As part of our e-safety awareness for parents, we will be distributing these magazines to all families and we hope you will find to read them.

FLU VACCINATIONS (FS – Y5) Please make sure you have sent your consent for your child/ren to have their flu vaccination (this was via a link in a recent email).

JEANS FOR GENES Thank you for your support last week – we were able to send just over £160.00 for the charity.

BAG2SCHOOL COLLECTION We will be sending these bags out next week for the collection on 11th October. We hope you will be able to donate by filling the bag (or by using a bin bag) with used clothes etc.. (There is a list on the bag as to what they will take). The donation we receive into school depends on the weight of the bag.
Please leave any bags on the grassed area down the school drive before 9.00 a.m. on Thursday, 11th October. I'm sorry but we cannot keep them in school so please don't bring them at any other time.

CHANGE TO STAFF TRAINING DAYS We hope you have noticed on the new term dates that two of our Staff Training Days have changed:-
Monday, 29th October is now open to pupils and the new date is Friday, 30th November and therefore closed to pupils.
Tuesday, 23rd April is now open to pupils and the new date will be Friday, 24th May and school closed to pupils.

Annabel Cowling
